Water Reed Grass

The thatching grass which is used for **Water Reed** and it has been used very successfully.

The Water Reed grass cutting industry in the Tamilnadu was initiated by **Thatched Roof Eco Resort**.

We fetch the grass from the Tamilnadu ourselves, so this supply of **Water Reed grass** ensures that we are able to honour and complete large contracts.

If you have a dream, big or small, that requires thatching, we at **Thatched Roof Eco Resort** are the team to help you achieve that dream.
